AQUA EXCEL 3.0

AQUAculture infrastructures for EXCELlence in European fish research 3.0

How to submit or edit a listing to the AQUAEXCEL3.0 Interactive Research Infrastructure map

Select "Interactive Map" on the menu.

On the Interactive Map page select the "SUBMIT/EDIT LISTING" button.

If you are editing a listing you previously submitted, choose 'log in'. If this is the first listing you will be submitting, select 'register' to submit your email and create a username. This will allow you to log in and edit your listings. Please note you will need to visit the registration confirmation email received via the address you provided to set a password.
